

Game Mechanics

- Reveal one card showing 1 letter and 4-6 categories
- Start a 30-second timer immediately
- All players write one answer per category
- Every answer must start with the shown letter
- Answers must correctly match the category
- No changes allowed after time is up
- Check answers when the timer ends
- 10 points for each valid, unique answer
- If two or more players share the same valid answer, each player scores 5 points for that category
- Play a set number of rounds or until a target score is reached
- Highest total score wins
